

poured icing

ingredients

1 cup confectioners' sugar, sifted
2 teaspoons + milk
2 teaspoons light corn syrup

directions

- Place sugar and milk in bowl. Stir until mixed thoroughly. Add corn syrup and mix well. If the icing feels too stiff, add milk by the teaspoon until smooth and thin enough to pour.
- Place cookies on cooling racks, and place rack on top of wax paper to catch icing drips. Pour icing over top of the cookies and allow the icing to level out, and excess to drip off.
